LAND USE APPLICATION

SMC CHAPTER 19A.16

Plat Alteration

A plat alteration is a Type 3 land use decision and is required when an applicant requests a change to a recorded subdivision. Such changes could include: the creation of additional lots, a change in open space requirements, the recognition of an existing non-buildable lot, or changes in the hearing examiner's conditions of approval. The permit is subject to an administrative decision and may require a public hearing and Hearing Examiner decision if requested.

Please provide specific written responses to the following SMC criteria, to the extent known:

1. Describe the type of alteration requested.
2. Describe appropriate provisions proposed to improving and maintaining the health, safety and the general welfare of the public.
3. Please identify and describe any impacts to the following: open spaces, drainage ways, streets or roads/alleys or other public ways, portable water supplies, sanitary wastes, parks/recreation, play grounds, schools/ school grounds, and safe walking conditions for students.
4. Please describe how the public use and interest will be served by the alteration.
